

**E. Questions for better understanding the student:** We are committed as a school to work with you, the primary educator, in the educational formation of your child. Please take a few minutes to help us know your child better by answering the following questions?

2. What are some qualities/gifts your child possesses?
  
3. What qualities do you hope your child will develop during his/her years at St. Rose's and St. Mary's?
  
4. Are there any hearing, eye or health conditions we need to know about?
  
5. What are your questions about St. Rose's?
  
6. As a school community, we need parents involved as much as possible. Would you list any hobbies or skills that you could share with the school?

**Lastly:** We will be distributing a family directory for the 2017-2018 school year to all the families.

If you **do not** want your phone (cell or land), address and email listed in the family directory please sign here.
